

QUALITY OF LIFE

9. Waste Collection

THE PRESENT SITUATION

The District Council is responsible for waste collection, and the County Council for its disposal. The District Council is engaged in a rolling programme of kerbside sorting of waste for recycling, which will shortly reach the Parish. The District Council provides a service for the disposal of large items.

There is one paper disposal bank in the Parish, situated in the School grounds.

Issues

- Recycling of waste.
- More bulk disposal facilities, including a further paper bank.

Actions

Introduce recycling in the Parish.

Give adequate publicity to the waste disposal services and to the recycling programme.

Timescale

Short term

Ongoing

Policy Statement

The Parish Council supports the aim of recycling. The Parish council aims to ensure that residents have access to appropriate means of disposing of waste.
