

## QUALITY OF LIFE

## 10. Tidy Villages

### THE PRESENT SITUATION

Generally speaking, the three villages are maintained in a tidy and presentable condition. In Arley Village, the work of the Village Worker is particularly valuable. The villages have regularly won praise in the County Best-Kept Village competition.

There are some aspects that could be improved.

### *Issues*

- Overgrown verges and hedges;
- Litter;
- Mud on roads;
- Leaves;
- Flower beds;
- Signs.
